Frontiers institutional members

Semmelweis University

Under this agreement, the Semmelweis University Library will cover 50% of the APC. The remaining 50% will be issued to the corresponding author by Frontiers.

I and my fellow co-authors are fully aware of and agree with the payment of the listed article processing fee should the manuscript be accepted for publication.

Summary

After uploading the publication, Frontiers will identify the corresponding author.

For successful institutional identification, at least one of the following three conditions must be met.

- Select "Semmelweis University" from the drop-down menu when entering the billing details.
- The corresponding author should use a Semmelweis University email domain.
- The corresponding author submits the manuscript from a Semmelweis IP address.

Upon successful identification, Frontiers will notify the Semmelweis University Open Access Administrator and request confirmation of the Affiliation.
